Subject: Arrived in PNG; luggage with translators' computers lost

Dear Praying Friends,

We arrived today in Port Moresby, 34 hours after taking off from Indianapolis.

One piece of luggage did not arrive with us. It contains these items that we must have later in the week:

- five used laptops for the translators,**
- some medications I need,**
- an external hard disk with software for the translation team**
- several other items**

*** Please pray this luggage arrives tomorrow (Monday) so that it can get to Ukarumpa on Wednesday so I can take it with me to Arop on Friday.**

Thanks again for being part of our team.

John Nystrom (for Bonnie too)
