Sharing the gift. Pastor Peter Marokiki presented my friend Brian Chapaitis with this carved canoe when we visited Peter's village in November. Peter has a gift for carving. He's also a very good translator. Brian is helping me set up Peter with a computer and a small solar power system to run it so he can stay involved in the translation project when his wife's illness keeps him from the translation workshops. Merry Christmas to you as we all enjoy the greatest gift ever.
